PAYMENT AUTHORIZATION FORM

EASYPAYPlan

For Your Convenience!

No more checks to fill out! No coupons to remember! No envelopes or stamps to buy!

After your Initial Payment is paid by credit card or check, your regular monthly instrument rental payments may be charged directly to your credit card.

Simply complete the information on this form and sign where indicated. NEMC will charge your monthly payment directly to your credit card. Then, every month your monthly payment will automatically appear on your credit card statement. (Your Initial Payment must be made before this Easy Pay option may be selected.)

If at any time during rental you return the instrument, your monthly payments will stop.

If you select this option and later want to discontinue this payment method and pay by coupons instead, simply notify NEMC and we will send you a coupon packet and discontinue your automatic credit card charge method.

NEMC will only charge your credit card if you authorize us to do so in writing by filling in the form below. If you do not select this option when you initially rent the instrument and you wish to take advantage of this convenient payment method later on, you may complete this form and return it to NEMC at any time and we will begin your Easy Pay Plan at that time.
